1. WHAT INFORMATION DO WE COLLECT?

Personal information you disclose to us

In Short, we collect personal information that you provide to us.

We collect personal information that you voluntarily provide to us when registering at the Services or Apps, expressing an interest in obtaining information about us or our products and services, when participating in activities on the Services or Apps, or otherwise contacting us.

The personal information that we collect depends on the context of your interactions with us and the Services or Apps, the choices you make, and the products and features you use. The personal information we collect can include the following:

Publicly Available Personal Information. We collect first name, maiden name, last name, and nickname; ID; current and former address; phone numbers; email addresses; social media; and other similar data.

Payment Data. We collect data necessary to process your payment if you make purchases, such as your payment instrument number (such as a credit card number), and the security code associated with your payment instrument. All payment data is stored by Paystack. You may find their privacy policy link(s) here: <https://paystack.com/za/terms> .

All personal information that you provide to us must be true, complete, and accurate, and you must notify us of any changes to such personal information.

Information automatically collected

In Short, some information, such as IP address and/or browser and device characteristics, is collected automatically when you visit our Services or Apps.

We automatically collect certain information when you visit, use, or navigate the Services or Apps. This information does not reveal your specific identity (like your name or contact information) but may include device and usage information, such as your IP address, browser and device characteristics, operating system, language preferences, referring URLs, device name, country, location, information about how and when you use our Services or Apps and other technical information. This information is primarily needed to maintain the security and operation of our Services or Apps, and for our internal analytics and reporting purposes.

Like many businesses, we also collect information through cookies and similar technologies.

Online Identifiers. We collect devices' geolocation, applications, devices, and other similar data.

Information collected through our Apps

In Short: We may collect information regarding your geo-location, mobile device, push notifications, when you use our apps.

If you use our Apps, we may also collect the following information:

- *Geo-Location Information.* We may request access or permission to and track location-based information from your mobile device, either continuously or while you are using our mobile application, to provide location-based services. If you wish to change our access or permissions, you may do so in your device's settings.
- *Mobile Device Data.* We may automatically collect device information (such as your mobile device ID, model, and manufacturer), operating system, version information, and IP address.
- *Push Notifications.* We may request to send you push notifications regarding your account or the mobile application. If you wish to opt out of receiving these types of communications, you may turn them off in your device's settings.

2. HOW DO WE USE YOUR INFORMATION?

In Short, we process your information for purposes based on legitimate business interests, the fulfillment of our contract with you, compliance with our legal obligations, and/or your consent.

We use personal information collected via our Services or Apps for a variety of business purposes described below. We process your personal information for these purposes in reliance on our legitimate business interests, to enter into or perform a contract with you, with your consent, and/or for compliance with our legal obligations. We indicate the specific processing grounds we rely on next to each purpose listed below.

We use the information we collect or receive:

- To facilitate account creation and the logon process. If you choose to link your account with us to a third-party account (such as your Google or Facebook account), we use the information you allowed us to collect from those third parties to facilitate account creation and the logon process for the performance of the contract.
- To send administrative information to you. We may use your personal information to send you product, service, and new feature information, and/or information about changes to our terms, conditions, and policies.
- To post testimonials. We post testimonials on our Services or Apps that may contain personal information. Before posting a testimonial, we will obtain your consent to use your name and testimonial. If you wish to update or delete your testimonial, please contact us at psilovitarsa@gmail.com and be sure to include your name, testimonial location, and contact information.
- To protect our Services. We may use your information as part of our efforts to keep our Services or Apps safe and secure (for example, for fraud monitoring and prevention).
- To enforce our terms, conditions, and policies for Business Purposes, Legal Reasons, and Contractual.
- To respond to legal requests and prevent harm. If we receive a subpoena or other legal request, we may need to inspect the data we hold to determine how to respond.
- To manage user accounts. We may use your information for the purposes of managing our account and keeping it in working order.
- To deliver services to the user. We may use your information to provide you with the requested service.
- To respond to user inquiries/offer support to users. We may use your information to respond to your inquiries and solve any potential issues you might have with the use of our Services.
- For other Business Purposes. We may use your information for other Business Purposes, such as data analysis, identifying usage trends, determining the effectiveness of our promotional campaigns, and evaluating and improving our Services apps, products, marketing, and your experience. We may use and store this information in an aggregated and anonymized form so that it is not associated with individual end users and does not include personal information. We will not use identifiable personal information without your consent.

3. WILL YOUR INFORMATION BE SHARED WITH ANYONE?

In Short, we only share information with your consent, to comply with laws, to provide you with services, to protect your rights, or to fulfil business obligations.

We may process or share data based on the following legal basis:

- **Consent:** We may process your data if you have given us specific consent to use your personal information for a specific purpose.
- **Legitimate Interests:** We may process your data when it is reasonably necessary to achieve our legitimate business interests.
- **Performance of a Contract:** Where we have entered into a contract with you, we may process your personal information to fulfil the terms of our contract.
- **Legal Obligations:** We may disclose your information where we are legally required to do so to comply with applicable law, governmental requests, a judicial proceeding, court order, or legal process, such as in response to a court order or a subpoena (including in response to public authorities to meet national security or law enforcement requirements).
- **Vital Interests:** We may disclose your information where we believe it is necessary to investigate, prevent, or take action regarding potential violations of our policies, suspected fraud, situations involving potential threats to the safety of any person, illegal activities, or as evidence in litigation in which we are involved.

More specifically, we may need to process your data or share your personal information in the following situations:

- **Vendors, Consultants, and Other Third-Party Service Providers.** We may share your data with third-party vendors, service providers, contractors, or agents who perform services for us or on our behalf and require access to such information to do that work. Examples include: payment processing, data analysis, email delivery, hosting services, customer service, and marketing efforts. We may allow selected third parties to use tracking technology on the Services or Apps, which will enable them to collect data about how you interact with the Services or Apps over time. This information may be used to, among other things, analyse and track data, determine the popularity of certain content, and better understand online activity. Unless described in this Policy, we do not share, sell, rent, or trade any of your information with third parties for their promotional purposes.
- **Business Transfers.** We may share or transfer your information in connection with, or during negotiations of, any merger, sale of company assets, financing, or acquisition of all or a portion of our business to another company.
- **Third-Party Advertisers.** We may use third-party advertising companies to serve ads when you visit the Services or Apps. These companies may use information about your visits to our Website(s) and other websites that are contained in web cookies and other tracking technologies to provide advertisements about goods and services of interest to you.
- **Business Partners.** We may share your information with our business partners to offer you certain products, services, or promotions.
- **Offer Wall.** Our Apps may display a third-party-hosted “offer wall.” Such an offer wall allows third-party advertisers to offer virtual currency, gifts, or other items to users in return for acceptance and completion of an advertisement offer. Such an offer wall may appear in our

mobile application and be displayed to you based on certain data, such as your geographic area or demographic information. When you click on an offer wall, you will leave our mobile application. A unique identifier, such as your user ID, will be shared with the offer wall provider to prevent fraud and properly credit your account.

4. DO WE USE COOKIES AND OTHER TRACKING TECHNOLOGIES?

In Short, we may use cookies and other tracking technologies to collect and store your information.

We may use cookies and similar tracking technologies (like web beacons and pixels) to access or store information. Specific information about how we use such technologies and how you can refuse certain cookies is set out in our Cookie Policy.

5. DO WE USE GOOGLE MAPS?

In Short, yes, we use Google Maps to provide better service.

This website, mobile application, or Facebook application uses Google Maps APIs. You may find the Google Maps APIs Terms of Service [here](#). To better understand Google's Privacy Policy, please refer to this [link](#).

By using our Maps API Implementation, you agree to be bound by Google's Terms of Service. You agree to allow us to obtain or cache your location. You may revoke your consent at any time. We use information about location in conjunction with data from other data providers.

6. HOW LONG DO WE KEEP YOUR INFORMATION?

In Short, we keep your information for as long as necessary to fulfil the purposes outlined in this privacy policy unless otherwise required by law.

We will only keep your personal information for as long as it is necessary for the purposes set out in this privacy policy, unless a longer retention period is required or permitted by law (such as tax, accounting, or other legal requirements). No purpose in this policy will require us to keep your personal information for longer than the period during which users have an account with us.

When we have no ongoing legitimate business need to process your personal information, we will either delete or anonymize it, or, if this is not possible (for example, because your personal information has been stored in backup archives), then we will securely store your personal information and isolate it from any further processing until deletion is possible.

7. HOW DO WE KEEP YOUR INFORMATION SAFE?

In Short, we aim to protect your personal information through a system of organizational and technical security measures.

We have implemented appropriate technical and organizational security measures designed to protect the security of any personal information we process. However, please also remember that we cannot guarantee that the internet itself is 100% secure. Although we will do our best to protect your personal information, transmission of personal information to and from our Services or Apps is at your own risk. You should only access the services within a secure environment.

8. DO WE COLLECT INFORMATION FROM MINORS?

In Short, we do not knowingly collect data from or market to children under 18 years of age.

We do not knowingly solicit data from or market to children under 18 years of age. By using the Services or Apps, you represent that you are at least 18 or that you are the parent or guardian of such a minor and consent to such minor's use of the Services or Apps. If we learn that personal information from users less than 18 years of age has been collected, we will deactivate the account and take reasonable measures to promptly delete such data from our records. If you become aware of any data we have collected from children under age 18, please contact us at psilovitarsa@gmail.com.
